ARE YOU READY for a Job in Manufacturing?

ManufactuREADY is an intensive, six-week training program that prepares unemployed individuals for success in the rewarding field of manufacturing.

THE CURRICULUM IS RIGOROUS.

ManufactuREADY is not for everyone. You are expected to attend Monday through Friday for six consecutive weeks. The program and its instructors requires very strict attendance.

THERE IS NO COST FOR ELIGIBLE PARTICIPANTS.

The ManufactuREADY program is conducted by the Economic Development Division at Athens Technical College, the program is funded through the Workforce Innovation and Opportunity Act (WIOA) and the Northeast Georgia Regional Commission (NEGRC). ManufactuREADY is geared towards unemployed individuals who have little or no manufacturing experience, but who wish to reenter the workforce with new and in-demand skills. The program fee and all required materials are covered for those who meet eligibility requirements.

YOU WILL EARN SIX CRUCIAL CERTIFICATIONS, SAVING YOUR FUTURE EMPLOYER TIME AND MONEY.

- OSHA-10
- Basic Forklift Operator
- CPR, First Aid & AED
- Lean Six Sigma White Belt
- ACT WorkKeys | National Career Readiness Certification

Application & Program Information

Program Requirements:

- Must be currently unemployed or underemployed.
- Must be 18 years old or older.
- 100% attendance is required to complete this six-week program. You must be on time every day. Being at work and on time is part of your job training. Attendance records are part of the course records and provided to prospective employers.
- Must possess a high school diploma or GED.
- Must be willing and able to work full time in a manufacturing environment upon completion of this program. This includes the ability to stand or sit for long periods of time, and work holidays, weekends, and /or night shifts. Reliable transportation to/from class and work is required.
- Must be willing to provide contact information during the program and for three months following the close of the program. This is for job placement and follow-up required for funding.
- Athens Technical College is a smoke free and drug free campus. Manufacturers require drug screenings and physicals as part of their hiring process.
- Ability to stand and sit for long periods of time (~8 hours at a minimum)
- Ability to push, pull, lift, or carry 10-15lbs on a consistent basis
- Manual dexterity, particularly in the hands
- Ability to work in environments where you may be exposed to loud noises, machinery with moving parts, and exotic materials.

Program Provider: The program is provided by Athens Technical College.

Program Locations:

Campus	Athens	Elbert	Greene	Walton

Program Schedule: A complete schedule with locations will be provided upon acceptance into the program.

Program Days & Times: Monday-Friday, 8:30am-4:30pm for six consecutive weeks. Schedule includes a **60 minute lunch break**. Lunch is not provided. Schedules are subject to change and students will be notified of any changes to the schedule, though an announcement may not be made until the morning of class.

Educational Requirements:

TABE Results Required. Test of Adult Basic Education (TABE) is available at no cost.

Attendance & Dress: Attendance at all class sections is required (100% attendance) and you must be on time every day. The purpose of this program is to assist participants in obtaining full-time employment, and participants will be expected to dress appropriately for a manufacturing environment.

Deadline for Submission of Application:

Classes form on a rolling basis at our Athens, Elbert, Greene, and Walton County campuses. Please submit this application as soon as possible.

Athens Technical College is a unit of the Technical College System of Georgia (TCSG) and is an equal opportunity institution.

DISCLAIMERS

STATEMENT OF EQUAL OPPORTUNITY

The Technical College System of Georgia and its constituent Technical Colleges do not discriminate on the basis of race, color, creed, national or ethnic origin, gender, religion, disability, age, political affiliation or belief, genetic information, disabled veteran, veteran of the Vietnam Era, spouse of military member or citizenship status (except in those special circumstances permitted or mandated by law). This nondiscrimination policy encompasses the operation of all technical college administered programs, programs financed by the federal government including any Workforce Investment Act of 1998 (WIOA) Title I financed programs, educational programs and activities, including admissions, scholarships and loans, student life, and athletics. It also encompasses the recruitment and employment of personnel and contracting for goods and services.

TITLE VI, TITLE VII, TITLE IX, SECTION 504 & ADA DISCLAIMERS

The Technical College System and Technical Colleges shall promote the realization of equal opportunity through a positive continuing program of specific practices designed to ensure the full realization of equal opportunity. The following persons have been designated to handle inquiries regarding the nondiscrimination policies:

Title VI, Title VII, and Title IX (Employees) – Becky Burton, Director of Human Resources, (706) 583-2818, bburton@athenstech.edu, Room K-514A, Athens Campus, 800 U.S. Highway 29 North, Athens, GA 30601

Title IX (Students) – Jennifer Benson, Vice President for Student Affairs, (706) 355-5124, jbenson@athenstech.edu, Room H-774, Athens Campus, 800 U.S. Highway 29, North, Athens, GA 30601

Section 504 and the Americans with Disabilities Act (ADA) – Keli Fewox, Director of Student Support Services and Career Development, (706) 355-5081, kfewox@athenstech.edu, Room K-614A, Athens Campus, 800 U.S. Highway 29 North, Athens, GA 30601

Individuals also may obtain instructions and procedures for informal and formal complaints applicable to any of the above laws from the officials designated above. Laws prohibit retaliation against any complainant. Call 1-800-421-3481 to obtain additional information.
